

Beautify Your Home

Open up any space in your home with a garden window and create a beautiful setting for your plants, collectibles or decorations. It could be the perfect finishing touch for your kitchen, bath or den make-over, remodeling project or new home.

The fully screened twin sealing side vents open a full 90 degrees to allow those warm breezes in on a sunny day. The multi-point locking system keeps out the cold and provides a tighter seal for added security.

The Series 2050 is the only vinyl garden window on the market today with an AAMA certified DP-50 (R-50) rating for units 60.5 x 60.5 inches and smaller.*

Fully welded, rigid PVC frame for greater strength and stability.

Vinyl frame will not chip, rot or peel and will never need to be painted.

Clear 1-inch insulated glass package.

Top slope insulating glass (a constant 35-degree pitch) is tempered for improved safety and unit integrity.

The projection of the window from the exterior wall face is a constant 17 inches.

Knee brace supports are not needed.

Each window is custom made to your specifications and is shipped completely assembled, ready to install.

Colors and Options

Standard frame colors are White and Tan. Other colors are available by special order, including: Champagne or Cocoa exterior with a White interior or White exterior with a Light Oak interior.

Also available as a special order option is our color match system which allows the window to be painted to match your color sample.

Head board, seat board, and jamb are available in Birch or Oak veneer and White or Tan high-pressure laminate. Special order interior options include, Light Oak, Dark Oak or Cherry high-pressure laminate.

Windows with a Birch or Oak interior can be provided pre-stained with a variety of Minwax[®] stains and sealed.

An acrylic solid surface seat board is available in Arctic White and decorator colors: Almond, Vanilla Sugar, Platinum Granite, Black Pearl or White Quartz.

As shown in the window on the front cover: Interior LED lighting that is cool to the touch (hard wired only).

The optional "Bullnose Edging and Interior Trim Kit" provides pre-cut casing and valance.
